Prerequisites

Knowledge: The student beginning this module should possess B2 language competence as described by CEFR. He should have mastered the grammar structures as well as general and technical vocabulary covered at first-cycle studies.

Skills: He should be able to use different sources of information and understand the need to widen his competence. He should be able to work individually and in a team.

Social competence: The student has to be honest, responsible, persevering, creative and respectful of other people, showing good manners and cognitive curiosity.

Course objective

1. Enable the student to achieve language competence B2+ (CEFR)

EUROPEAN CREDIT TRANSFER AND ACCUMULATION SYSTEM (ECTS) pl. M. Skłodowskiej-Curie 5, 60-965 Poznań

2. Improve the student's skills in using academic and professional language, specific for a given field of study, in all four linguistic skills.

3. Improve the study of a technical text.

4. Equip the student with the language and skills he needs to succeed in an international working environment and everyday life.

Course-related learning outcomes

Knowledge

1. possess the vocabulary related to: corporate culture, handling meetings, effective communication, listening techniques, giving presentations in a multicultural environment, and be able to explain the concepts involved with the topics shown above - [-]

2. know and understand grammatical and lexical rules of English and use them effectively in different types of written and oral communication - [-]

Skills

1. use different sources of information critically - [K_U1]

2. use a variety of communication strategies in English in different environments, the working one included - [K_U3]

3. present the results of his/her research in a summary - [K_U4]

4. discuss the recent developments in automatic control and robotics as presented in professional texts from this field at B2+ level - [K_U7]

5. conduct business correspondence, write emails, take notes of a meeting, write invitations and a report - [-]

6. have all the skills of language competence B2+ (CEFR) - [K_U7]

Social competences

1. be able to work in a team, especially in a multicultural environment - [K_K3]

2. be able to think and act creatively and proactively - [K_K5]
