5	Material Science		30		15			4
6	Elective course in Social Sciences 1		30					3
7	Information Technology in Management		15		30			3

Semester 4:

No.	Module	Exam	Lec	Tut	Lab	Proj	Sem	ECTS
1	Elective course in Social Sciences 2		30					2
2	Financial Accountancy	E	15		30			4
3	Marketing Research	E	30	30				5
4	Project Management	E	15	15		15		4
5	Foundations of Machine Construction and CAD		30			15		3
6	Machine Technology and Design of Production Processes		30		30			4
7	Production Management		30	15		15		4
8	Elective Course : Logistics		15	15				4

Semester 6:

No.	Module	Exam	Lec	Tut	Lab	Proj	Sem	ECTS
1	Software Engineering	E	15			15		2
2	Financing of enterprise	E	15	30				4
3	Management Information Systems		15					2
4	Intellectual Property		15					2
5	Elective Course : Bases of Signals and Information Processing		15		15			2
6	Elective Course: Marketing in Commerce and Services		15	15				4
7	Elective Course: Negotiations and Negotiation Tehniques		15	15				4
8	Elective Course: Organization of Production and Logistics in Automotive Industry		15	15				4
9	Elective Course: Ergonomics in Design		15	15				4

Master Degree - Full Time Studies, specialization: Corporate Management

Semester 1:

No.	Module	Exam	Lec	Tut	Lab	Proj	Sem	ECTS
1	Macroeconomy	E	30	15				4
2	Statistics		15	15				3
3	Corporate Management	E	30			30		4
4	Strategic Management	E	30	15				4
5	Operational Research and Econometrics		15	15	15			3
6	Managerial accounting		15		15			4

Semester 3:

No.	Module	Exam	Lec	Tut	Lab	Proj	Sem	ECTS
1	Ecology	E	15	15				6
2	Specialization module 3: International enterprise	E	75			15		7
	International Corporations Management							3
	Business Internationalization							2
	UE support system							2
3	Specialization module 4:	E	75	15				7
	Methods of promotion, negotiation and sales techniques							2
	Supply Chain Management							3
	Business process optimization							1
	Market Strategies							1
4	Specialization module 5:		30	15				6
	Small and Medium-Sized Enterprise Management							3
	Enterprise Competitiveness							3
5	Elective Course 4: Innovation Management		15	15				2

Elective Course 5: Internet and mobile
6 marketing
